

Desk Telephone Set BlueFon comfort

Application

The BlueFon comfort is a custom made standard analog 2W telephone set for the ECS-FD PABX systems. It allows to use all the basic voice services of ECS-FD PABX systems. It has a display and hands free operation mode.

4 buttons can be preprogrammed with management software of the BlueCom PABX. This feature simplifies the deployment of the phone when using BlueCom PABX systems. □
